BAR ASSOCIATION MEETS TONIGHT

Attorneys of Bernalillo County Will Hear Interesting Paper on "Negotiable Instruments," By G. S. Klock.

There will be a meeting of the Bernalillo County Bar Association in the Commercial club, at 8 o'clock this evening, which will be one of the most important since the reorganization of the association. In addition to a committee report of considerable importance to the members of the bar, there will be a paper, "Negotiable Instruments," by Attorney G. S. Klock, which will doubtless prove interesting and instructive. The paper has been prepared carefully and will be of especial interest to attorneys who have never made a specialty of the subject.

A. P. CORRESPONDENT EMBRACES REPORTER

Hagerty, Chicago Newspaper Man, Buys Friend Pink Lemonade in Return for courtesies.

El Paso, Texas, April 10.—E. Ramírez de Aguilar, war correspondent for El Imparcial, Mexico City daily, has arrived in Ciudad Juarez with his face covered with whiskers and his note book full of scribbles. Aguilar was the only newspaper man at the battle of Casas Grandes.

The officials of Cuellar's column declare that two horses were shot from under the correspondent, and Aguilar will admit it when pressed. He is so small that no bullet would take the trouble to hit him, although no minute as Lieut. Col. Jiménez, a cavalry officer,

over now in Ciudad Juarez. Neither have any fear in battle on or off a horse.

Senor Reporter de Aguilar was in the Guadalquivir campaign, where he met Senor Don Christopher D. Hagerty of the Associated Press, and presented the Chicago newspaper man with three tortillas and a bottle of muddy water. This courtesy was not returned until yesterday, when Senors Aguilar and Hagerty met in the Hotel Sheldon. The American correspondent bought the Mexican reporter a drink of pink lemonade in exchange for the muddy water, and the two purveyors of gory news embraced in true Latin style, afeat Hagerty has learned to do very gracefully.

True to his colors, Aguilar is an ardent federal, and shows unswerving faith in the goals and other lower animals. He is going back to Mexico City to grind out local for the big daily, and not return until the war picks up again and kills more than a half dozen at a time.

Hot Bread, Rolls, Pies, Cakes, etc., for dinner, every day.

Diamonds

FOR THE LUCKY BORN

Don't attempt to give anything other than a DIAMOND to anyone born in the month of April.

You can get a diamond at just the amount you care to pay, and some of the less expensive ones look quite as attractive as the flawless and more costly ones, and the secret of their cost is with you.

We have been selling diamonds to the good people of this city for nigh on thirty years and no one has ever yet heard of any person dissatisfied with their purchase.

This fact is a valuable asset not only to Everett, but to the people of Albuquerque, for with a long and honorable record of this character one can feel absolutely safe in making a purchase.

We have by far the finest line of DIAMONDS we have ever carried, and the generous patronage we are receiving is proof that our efforts in this line are appreciated.

We have attractive little solitaire Misses' Diamond Rings as low as \$6.50 and at any price you may want up to \$500. Whether you come from Missouri or not, we shall be pleased to show you.
